FROM: Nancy Sherffius  
DATE: August 1, 2017  
SUBJECT: P.R.E. Registration

W-E-L-C-O-M-E to our Program! It's always exciting to meet new people; I would enjoy meeting with you to explain to you in more detail how our faith formation sessions will work for you and your child/ren. If you could contact me to set up a meeting, that would be great (evening and weekend times are okay!).

Here is the registration material ... I know it seems like a lot of information! Some of it is required by the Diocese; the rest is useful to me and/or the teachers. Please know that the only information released to the teachers is the basic demographic data. Medical information is shared only if it might play a role during the time the child is in class. Please note that you are giving permission to:

- use your child's photograph (and identification) for promotion of our PRE program on the website, newsletters, etc., and
- receive special announcements and cancellation notifications via text/email.

Completed Registration Forms can be returned (with fees\* included) IN THE ENVELOPE PROVIDED

- by mail,
- in the after-hours drop slot, or
- in person (at your convenience) in the parish office

*-- REGISTRATION FORMS NEED TO BE RETURNED BEFORE AUGUST 24<sup>TH</sup>--*

This year, we are going to use an automated Notification System (in case of special announcements, cancellations due to bad weather, etc.) SO PLEASE BE SURE TO INDICATE CELL PHONE NUMBER/S AND EMAIL ADDRESS/ES to receive these notifications.

A *Schedule of Class Sessions* is included in this mailing for your convenience. (Pay particular attention to the information at the bottom of that sheet if you have a child/ren receiving a sacrament this year.)

Copies of Baptism certificates will be needed for 2<sup>nd</sup> graders, 8<sup>th</sup> graders, and all students new to our Program (unless the child was baptized at St. Mary Queen of the Universe).

\*fees = \$40/child, with a maximum of \$100 per family (checks payable to St. Mary Parish)  
-- contact me if arrangements need to be made --
