Notes from the Pastor

Two weeks ago I mentioned in my notes that we are moving forward with the conversation phase about a renovation project for our church. The steering committee had a good meeting with our architects sharing our own concerns, thoughts, perceived needs, hopes and dreams. We will also have parish sharing sessions with the architects in the near future and you will be encouraged to attend those if at all possible. However, it was suggested that I should list the names of the steering committee members so people might be able to begin the conversation and sharing process with them as well. To that end, the steering committee members in alphabetical order by last name are: **Scott Bergkamp, Tyler Bogart, Tim Bulleigh, Tom Dill, Mary Haines, Sherry McKee, Dick Ratcliff, Brenda Stoss, Jeff Thompson, Monica Woolsoncroft,** and then of course, **Fr. Luke and myself.** Please feel free to visit with any of these members about what you might like to see happen with a church renovation project.

Peace and Prayers, Fr. Kevin
