## Notes from the Pastor

This past week SFS Architects conducted some small group meetings with various groups of the parish, parish council, finance council, staff, etc. They were seeking opinions and ideas about what people would possibly like to see happen in a renovation project for our church. They wanted to get a sort of baseline understanding of where people's minds and hearts were about various areas of the church. We want to continue that information gathering process with another meeting, but this time with the larger community as a whole. This is meant to give as many people as possible an opportunity to voice their opinions, ask questions or share concerns about such a project. We have scheduled this meeting for **Sunday December 17<sup>th</sup> at 12:30 p.m. in the Parish Hall**. We plan on the meeting lasting less than 2 hours. Please plan to come and share your thoughts about what needs and wants that are important to you and what you would like to see happen or not happen with a renovation project. It should be noted that CYO will be having their annual bake sale that same Sunday after all the Masses, but I have visited with Renee Thompson about this and she felt very comfortable working around with us so this meeting could take place also.

Peace and Prayers, Fr. Kevin
