NOTES FROM THE PASTOR

We are making measured progress on moving forward with a capital campaign to fund the church renovation project. A synopsis of the findings from the feasibility study are in the bulletin this weekend, and while we know that raising funds is always challenging, we believe that the improvements are worthy of the challenge. The first step in moving forward with a capital campaign was to find some people who were willing to be the chairpersons. Through the feasibility study multiple names were surfaced and from those names **Scott and Kristi Bergkamp** and **Tom & Carla Dill** were asked if they would be willing to serve as co-chairs. After some thoughtful prayer and consideration they both agreed to step into this role. I am grateful to both couples for their willingness and enthusiasm about the project. Our next step is to form a committee that will help guide the campaign toward success. I will do my best to try to keep you all updated on the progress. If there is anybody who feels a truly strong calling to help make the capital campaign a great success, please do not hesitate to contact me, the Bergkamps or the Dills, I know there are plenty of ways to utilize peoples time and talents in this effort.

Peace & Prayers: Fr. Kevin
