NOTES FROM THE PASTOR

A question was presented to me at Parish Council this past Monday, June 3rd, which the Council believed I should address in my notes. The question, "If we do not raise enough money from the Capital Campaign to do all the things we are hoping to do in the renovation project, what will happen? Are we going to prioritize and do as much as we can, are we going to have another Capital Campaign, what will happen?"

The concern seemed to be what would be done with the money collected if we didn't raise enough. The monies that are being collected will be saved in a separate account, not in our general account. We will be able to keep track of it and use it eventually when we are able to move forth with the renovation project.

I pray and have great confidence that this will not become an issue, meaning that we will raise sufficient funds to move forward. I believe that most of the things we have planned for the project are necessary and essential for the project to be viewed as a **great** success. Please prayerfully consider what you might be able to do to help our "Preserving our Past...Brightening our Future" Capital Campaign and Renovation project become a reality and success.

Peace & Prayers, Fr. Kevin

Preserving our Past...Brightening our Future **CHURCH RENOVATION &** **CAPITAL CAMPAIGN UPDATE:**

The time has come – Campaign Sunday is June 9th!
This weekend, over 100 volunteers will be delivering pledge information and commitment cards for the Capital Campaign to our parish households. Please welcome these volunteers warmly and keep the campaign and those who are giving of their time in your prayers.

We are asking members to prayerfully consider your gift to the campaign over the next week. The same volunteer will follow up with each household to pick up your pledge cards in a sealed envelope on or around Sunday, June 16th and return it to the church office. As a reminder, all giving is confidential. Thank you for your consideration to this important effort.
