MINISTRY OF PRAYER

PLEASE PRAY for all those who are disabled, in rest homes and hospitals, and service personnel serving overseas. (Names will be on this list for 1 month and then removed unless notified otherwise.

Work is beginning to commence on the renovation project, though it is not apparent from the outside. The first thing that needed to be done was the asbestos abatement/removal. In November, I believe it was, we had a company come in and bore small holes in many surfaces inside and out of the church to determine if there was asbestos. Any areas that will be disturbed in the renovation process and are determined to have asbestos in them, those materials need to be removed by specialists. Thankfully we do not have a large amount of area that needs asbestos abatement. For us the process was estimated to take three to five days. As you start to see fencing blocking off the work area, please observe the safety signs for your own protection. I know curiosity is a powerful lure, but please be patient, conscientious and safe. Please also keep the safety of the workers in your prayers as well.

Peace & Prayers,
Fr. Kevin
