MINISTRY OF PRAYER

Please pray for all those who are disabled, in rest homes and hospitals, and service personnel serving overseas. (Names will be on this list for 1 month and then removed unless notified otherwise.)

➢ Renovation: Progress continues to be made. The organ has been removed and stored, the altar platform area has been removed so that all that is left is the first riser in the sanctuary area. The large hanging crucifix has been removed and stored. The tile has been taken up and removed. Asbestos abatement continues in the confessional areas, and soon will begin on the ceiling in the main altar area, recall a large skylight will be installed over the altar.

➢ Confirmation: The sacrament of Confirmation was administered last weekend and I was thoroughly impressed with our young people who received the sacrament. I visited with them in the morning about the sacrament and then we celebrated it that evening. At both the practice and the celebration they were very attentive and responsive. Congratulations to them all.

➢ First Communion: This weekend we will be celebrating the First Communion of our 2nd grade students in P.R.E. and from St. Mary’s Grade School. I look forward to this celebration every year. This year is of course very different than in years past, but like confirmation I presume our students will rise to the occasion and great it with as much enthusiasm as is possible. Congratulation to all of our first Communicants as well.

Peace & Prayers,
Fr. Kevin
PARISH NEWS

Now that we are having public Masses once again we will begin scheduling Liturgical Ministers again starting in July. We will make up a schedule for the months of July & August. Please submit your “cannot serve” dates no later than Monday, June 15th or email them to kathy@stmsalina.org. If you are not comfortable being scheduled yet, that is just fine. Just block off all of the dates for July & August so you won’t be scheduled automatically. As a refresher: Login to the terminal with your user name and password. Go to the “my profile” tab and add the dates you cannot serve in the “unavailable dates/times” box. Then be sure to scroll all the way down and click “submit”. Again, the deadline is Monday, June 15th.
